

Written offer for GPL and LGPL source code

Where such specific license terms entitle you to the source code of such software, 432 EVO will provide upon written request via traditional paper mail or email the applicable requested portions of GPL and LGPL source code files at nominal cost to cover shipping and media charges as allowed under the GPL and LGPL.

Please direct all inquiries via email to:

or via snail mail: Klinkt Beter, Blauwe Paal 45, 9230 Wetteren, Belgium

When using email, the subject of your email should at least include “written offer” without the quotes, to avoid being marked as spam.

Your request should include:

- a copy or scan of your 432 EVO registration form
- the name of the covered binary
- the version number of the product containing the covered binary (if applicable)
- your name
- your company name (if applicable)
- your return mailing and email address (if available)

This offer is valid to anyone in receipt of this information for a period of three years after the build date mentioned on the registration form.

Please note that the provided source code is unsupported by 432 EVO, and only intended for developers.

A copy of such source code can also be obtained from us on physical media for € 20 via snail mail
